Topic:- Booking Management System

Introduction

Welcome to newly designed website movie ticket booking is a faster, cleaner and a tad more personal website, specially designed to make your booking experience better. Log on, navigate and find out for yourselves and if time permits leave your valuable feedback.

Customer may view the content of any movie show at any time and may book any movie ticket as needed. The program automatically calculates the subtotal and grand total. When a visitor decides to finally book the ticket, the order information including the buyer's name, address and billing instruction is stored in the database surely and payment has been made .

You need to register a new user whenever you have first visited or site then for future it will be stored in our database permanently and you can book your movie ticket at any time you want with this username and password.

<h1>About the movie</h1>
<p>BRAHMASTRA - the Trilogy, is a 3-part film franchise and the
beginning of India`s first original universe The Astraverse.

It is a new original cinematic universe inspired by deeply rooted
concepts and tales from Indian history but set in the modern world,
with epic storytelling of fantasy, adventure, good vs evil, love and
hope; all told using cutting edge technology and never-seen-before
visual spectacles.

<h1>About the movie</h1>

<p>Set in the mesmerising forests of Arunachal, Bhediya tells the story of Bhaskar, a man who gets bitten by a mythical wolf, and begins to transform into the creature himself. As Bhaskar and his ragtag buddies try to find answers, a bunch of twists, turns and laughs ensue.
